

Sunpak PRO 724M Carbon Fiber Monopod

Highlights

The Sunpak PRO 724M Carbon Fiber monopod is focused on the needs for the working professional photographer using full size DSLR cameras with long lenses. This is a full size monopod that offers four leg sections for quick setup and is the most affordable in its class. The PRO 724M is constructed of strong, durable, lightweight carbon fiber leg sections. Other features include reversible 1/4"-20 / 3/8" threaded screw, neoprene grip and retractable spiked rubber foot. This monopod comes with a limited lifetime warranty.
